### **Golfers help make Cheshire Dreams a reality**

This year, Jersey's longest-running and largest charity golf event has raised more than £20,000 for Jersey Cheshire Home and helped make some residents' dreams come true.

In this, its 20<sup>th</sup> year, the Jersey Cheshire Home Golf Day, sponsored by Airtel-Vodafone, involved 26 corporate teams on 13 May at La Moye Golf Course.

David Lord, General Manager of Jersey Cheshire Home, said: 'Our fund raising initiative this year is called Cheshire Dreams, whereby we aim to make our residents dreams come true, no matter how big or small. We've already taken one resident to see his beloved Manchester United and arranged a dance group to perform at the home for another resident. 'I'm very grateful for Airtel-Vodafone's and the other sponsors fantastic support as well as everyone who took part.'

Mr Lord continued: 'Our residents are severely handicapped which can often end their ability to get out and enjoy their lives, so the money we have raised at the golf day will go a long way to making many dreams a reality.'

The teams played a round of four-ball stableford at La Moye Golf Course before lunch for 120 guests. Ashburton took the top prize, followed by Capita Asset Services and then EY. The guests were entertained by John Martin after lunch, Ken Dodd's favourite comedian.

Peter Shirreffs, the event's organiser, a Jersey Cheshire Home Foundation Committee Member, and Airtel-Vodafone Director, said: 'It was a fantastic day, and Airtel-Vodafone are delighted to again be sponsoring Jersey's premier charity golf day and doing our part to help bring some dreams to life.'
